

PFE MAKING A DIFFERENCE

Parks Foundation for Education

has invested over **\$28,000** in technology since 2012! Together we can make this new year even better. This is made possible by our parents, the community and local businesses with donations and sponsorships. Volunteering at one of our events, makes an impact to our success.

\$20 Drop in the Bucket

This donation drive takes place all year. Help make us bring more to each student with this easy one-time donation.

Classroom Dreams

Help make a wish come true for a teacher with a donation, monthly donation subscription or by sponsoring one of our events. Classroom dreams allows teachers to request technology and equipment to meet their needs for a better in classroom experience.

Your continued support is vital to the success of our students' education and growth. You can make a real difference in every child's educational experience.
